

Welfare

Welfare Officer, Cliff Thompson, has established a small team to assist in the delivery of Welfare support. In due course the team will be increased to cover other regional and Melbourne metropolitan areas. The Welfare Team will help those in need of assistance concerning pension advocates or those endeavouring to obtain or increase DVA pension entitlements. Along with other Association members they will visit ill mates at home or in hospital or their families if requested. The Welfare pages will keep you up to date with general Welfare activities and notify you of members about those ill or having passed away.

help those in need of assistance those endeavouring to obtain or entitlements. Along with other visit ill mates at home or in requested. The Welfare pages will Welfare activities and notify you of having passed away.
